***THE MAIN TASKS IN THE FIELD OF PROMOTING THE SOCIAL
AND CULTURAL INTEGRATION OF MIGRANTS IN RUSSIA***

CF “PSP-foundation”
(Russia, St Petersburg)
Boris Panich

ПСП-фонд

“PSP-foundation” (Russia, St Petersburg) interregional resource center for the integration of migrants and intercultural cooperation

Geographical reach:

- Saint Petersburg
- more than 20 regions of Russia (including Archangelsk region, Leningrad region, Murmansk region, Republic of Karelia)
- Central Asia (Kyrgyzstan, Tajikistan, Uzbekistan)

ПСП-фонд

Number of labor migrants (non-COVID / COVID-year)

Russia

5 millions / 2 millions

Saint-Petersburg

400 thousands / 250 thousands

ПСП-фонд

Low integration risks

- illegal status (illegal labor, human trafficking, crime, extremism)
- the emergence of enclaves
- conflicts with the local population

ПСП-фонд

Prerequisites for successful integration

- awareness of migrants about the risks associated with being outside the legal, social and cultural field of the host country
- availability of information, legal and social support
- positive attitude of the local population

ПСФ-фонд

Main areas of work (specific practices and system level)

1. Information support for migrants
2. Legal support for migrants
3. Language and cultural integration of migrants and their children, and foreign students
4. Capacity building of specialists from state organizations and NGOs
5. Capacity building of migrant communities (including women migrants)
6. Educational activities with the local population and media aimed at prevention of conflicts on interethnic and intercultural grounds
7. Expert activity and monitoring
8. Development of interaction between authorities and NGOs
