Improving the competencies of NGO educators for social inclusion

## **International Conference of NGO Educators for Social Inclusion. Project assessment**

Florence, Italy, 08-10 June 2023

Meeting goals: This conference will provide an opportunity for organizations to share their good practices and increase the knowledge and practical experience of 10 NGO educators in the field of non-formal adult education related to the needs of NGO staff and participants (including the disadvantaged groups of population) in the field of social inclusion

Participants: The target group of this activity are NGO educators from partner organizations' networks - staff, experts and volunteer specialists, a total of 10 participants. It is also planned to attract to this activity an indirect target group - members of the Italian partner organization's network that are active in the field of non-formal adult social education.
