Fostering desistance to empower people

MISSION: provide **non-institutional support** to individuals released from penitentiaries, their relatives by helping them in the process of resocialization and reintegration into society.

ISSUE:

- recidivism;
- antisocial conduct/personality (disorder) traits;
- lack of social skills, etc.

STRATEGY: systematic and integrative approach to resocialization –

Life-long learning and lifeguiding program:

- Individual/group advice/therapies;
- Therapies through the employment (vocational rehabilitation and employment...);
- Social and cultural activities.

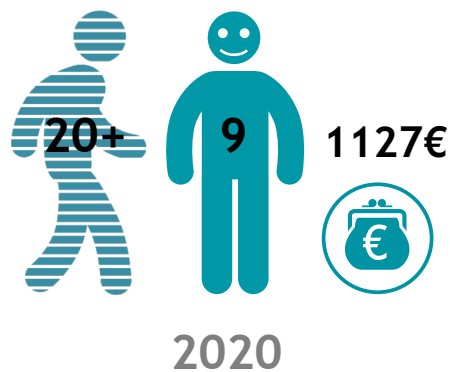

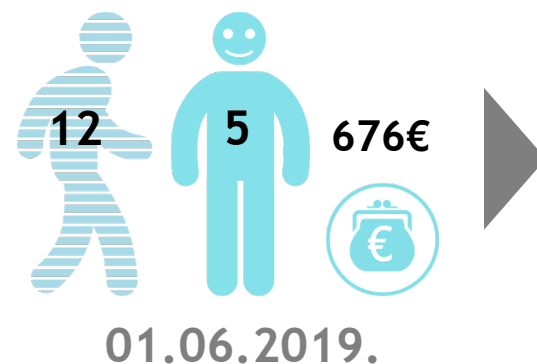

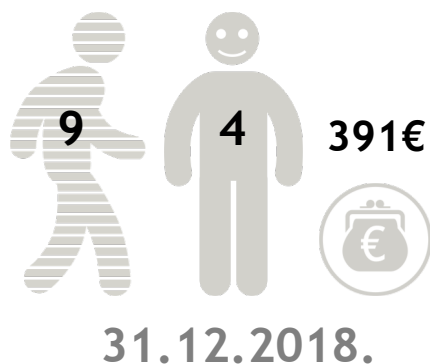

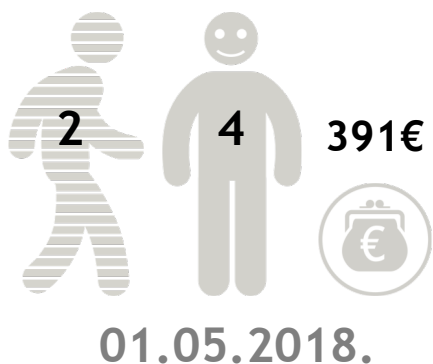

CONCLUSION - “If the greater number of ex-convicts would have the access to this or similar non-formal resocialization, there will be **no need for their repetitive isolation**, hence - more safety/safety for society...” - an excerpt from the letter of recommendation to Riga City Council.

SOCIAL RETURN OF INVESTMENT (SROI)/ NET PRESENT VALUE (NPV) Y2018/19(5Y HORIZON)

Thesis “Measuring Social Return
on Investment of *de facto* Social Enterprises in Latvia”, R. Gailis, D. Vārpiņš,
Stockholm School of Economics in Riga, 2019

Inputs

Outcome

Method:

“SROI determines the value of organizational social benefits, in relation to the costs of achieving those benefits”.

Yang et al., 2014.

Net present value (NPV) is the difference between the **present value** of cash inflows and the **present value** of cash outflows over a period of time.
